MMF Minister of Health - Marielee Nault

Marielee Nault is a Board Member of the Manitoba Metis Federation – Southeast Region and is currently serving her sixth term in office, a staggering 21 years serving her people.

Marielee is currently Minister of Health of the Metis Government of Manitoba.

Marielee has been a champion for Metis children in care – it is a subject that is very close to her heart. For the past 18 years, Marielee has been a foster parent to many Metis children in care – this is her true passion in life. She is committed, dedicated and determined to do what she can to ensure that Metis children without homes or families are given the love and safety that they deserve.

Marielee has also held various volunteer positions in the past and feels education is the most important part of a child's life, because with a good education, our children can make positive choices for their future.

Marielee has been married to Elmer Nault for 43 years and they have four children, ten grandchildren and one great grandchild.
